TRAIL ETIQUETTE

The Santa Lucia Preserve is 20,000 acres of unspoiled California. Its landscape of ridge tops, redwoods, oak woodland and native grassland encompasses the last of Central California's great Mexican land grants.

Trailhead Parking - LIMITED PARKING ONLY. Select trailheads offer dedicated parking. Off road parking is permitted ONLY on mowed areas. Please DO NOT PARK in TALL GRASSES. This is a major fire danger.

Dogs - Dogs must be on a leash at all times or in immediate control by voice command. Dogs are prohibited from chasing wildlife, livestock or other trail users.

Equestrian Trail Rides - Please check in with the Equestrian staff and let them know which trail you will be using, and check back in upon your return. Steep grades on some trails may call for use of breast collars, and breaching or crupper on saddles. Plan ahead. Water for horses is available on select trails.

Bicyclists - Bicyclists must yield to equestrian riders and hikers. When passing on trails or the road, bicyclists must do so slowly, well announced and on the left.

Cattle Grazing Fencing - Be aware of portable electric fencing in dedicated areas near trails. DO NOT TOUCH!

MAP INFORMATION

For more information regarding the trails please visit the Hacienda Concierge or Sports Center. The Concierge can be reached at 831-620-6821 to schedule a guided hike or equestrian ride on one of the Preserve hiking trails.

The Santa Lucia Preserve Emergency Road and Trail Map was produced by the Santa Lucia Preserve and updated by Digital Mapping Solutions and Tukman Geospatial in August 2023.
