

Coronavirus (COVID-19) Update

Sunday, March 15, 2020-2:30 pm

The Preserve's Emergency Operations Committee (EOC) continues to monitor the COVID-19 outbreak and meets daily to discuss our response as this fluid situation evolves. Briefings with Monterey County Regional Fire District Chief, Michael Urquides, are regularly scheduled. At our meeting this morning, the Chief confirmed there are no confirmed "test positive" cases of COVID-19 within Monterey County. Based on this information, the Santa Lucia Preserve remains at [Stage 1 \(Preparedness\)](#).

Preserve Service Updates

- The St. Patrick's Day dinner scheduled for March 17, Jazz Festival scheduled for March 28, Spring Fest and Easter Brunch scheduled for April 11 and 12, have been cancelled.
- The Preserve will otherwise remain open for business, at this time, while we continue to evaluate risk.
- For our members or guests that are staying on the Preserve, we would like to remind you that there are carry-out dining options available, as well as our regular dining services. In order for us to best serve your needs, we encourage 24-hour notice on carry-out meal orders.

Preserve Advisories will be sent out as the situation unfolds and protocols change, or service level interruptions occur. If you would like further information on the Coronavirus (COVID-19), here are links to helpful resources:
