July 5, 2022

DIRECTORS

Mark Boitano
Barbara Santry
Melissa Thorme
Scot Smythe
Cary Whitfield

ADVISORS

Robert Latta

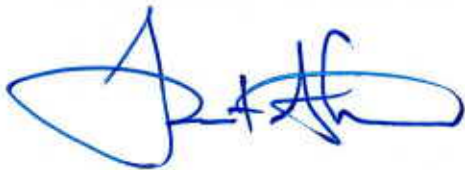

Dear Preserve registered voter,

The Santa Lucia Community Services District was formed in 1998 to provide services related to water supply and distribution; wastewater treatment; security; storm water collection & road maintenance. It is a governmental agency and is governed by a board of directors elected at large by registered voters within the District. To be eligible as a Director, one must also be a resident voter within the District boundaries (Santa Lucia Preserve).

An election has been authorized to be held on November 8, 2022 for the purpose of electing successors for the two members of the Board whose terms of office will expire following the election. At this time, the two incumbent Board members, whose terms do expire, plan to run for a renewed term of four years.

Anyone that may be interested in running for a Director position must file a Declaration of Candidacy by visiting the Monterey County Elections Office. Nomination forms must be filed between the dates of July 11, 2022 and August 18, 2022. The Monterey County Elections Office is located at 1441 Schilling Place-North Building in Salinas, CA 93901.

Thank you for your time and consideration. Please feel free to contact my office if you would like additional information or have any questions.

Forrest Arthur
